Comments

Income is based on the Forces Special Policing Services Rates which have been agreed by Leicester City Football Club based on Security Category. The figures quoted above do not take in to account any expenditure that may have been incurred for these fixtures.

Fixtures highlighted in orange for 2019/20 Season relate to fixtures held behind closed doors due to COVID-19. No Policing within the football ground was provided and so no charge was due to the club.

No Income has yet been agreed to be received for the 2020/21 Season. Income is based on Security Categories which havent been formally agreed. These Security Categories are also able to change closer to fixture dates due to varying factors (Intelligence etc.)
