Whilst Leicestershire Police are unable to answer the specific question of how many contacts we have made with schools during the timeframes highlighted, we can say how many incidents highlighted children and how many children were affected.

We have shared all these incidents and children with the Local Authority who have then gone on to speak to the schools regarding the children involved.

It can be inferred that the vast majority will have resulted in a contact with a school.

Leicestershire Police provides you the right to ask for a re-examination of your request under its review procedure. Letters should be addressed to Information Manager, Corporate Services Department at the above address. If you decide to request such a review and having followed the Force's full process you are still dissatisfied, then you have the right to direct your comments to the Information Commissioner who will give it consideration.

Yours sincerely
