Contact details for the above are considered exempt by virtue of Section 40 (2)

Section 40 (2) – Personal Information

Section 40(2) is a class based absolute exemption and as such legislators have identified that there would be harm in disclosure and there is no requirement to evidence this or consider the public interest test. However, as Section 40(2) is engaged and in order to make the exemption absolute we need to evidence that a data protection principle would be breached by disclosure. In this case it would not be fair to process confidential information which could lead to the identification of an individual, therefore the first principle of the Data Protection Act would be breached.

Leicestershire Police provides you the right to ask for a re-examination of your request under its review procedure. Letters should be addressed to Information Manager, Corporate Services Department at the above address. If you decide to request such a review and having followed the Force's full process you are still dissatisfied, then you have the right to direct your comments to the Information Commissioner who will give it consideration.

Yours sincerely
