Comments

***Please note the above Expenditure does not include Police Officer / Staff Salary costs. Salary costs for Officers / Staff are not monitored on a fixture basis and are captured under a centralised budget. This is why Income appears far greater than Expenditure to date.**

The above Expenditure includes Police Officer / Police Staff Overtime, Travel / Subsistence and Mutual Aid (costs of using Police Officers and Horses from other Police Forces)

Cup fixture Expenditure is only monitored on a Cup basis and not by individual fixtures.

Income is based on the Forces Special Policing Services Rates which have been agreed by Leicester City Football Club based on Security Category.
