Please note: If the specific offence information is not available, just the number of motorists caught committing any driving offence while holding a provisional driving licence in both 2019 and 2020 would be great.

Time period for data relating to the request: 2019 and 2020.

Following receipt of your request, searches were conducted within Leicestershire Police to locate information relevant to your request.

Your request for information has now been considered and the information asked for is as follows: -

Leicestershire Police only routinely record the licence number on offences where a fixed penalty notice is issued and as such we would not be able to provide a full and complete response for this as those where a driver awareness course or a court case resulted would not have the information request.

Leicestershire Police provides you the right to ask for a re-examination of your request under its review procedure. Letters should be addressed to Information Manager, Corporate Services Department at the above address. If you decide to request such a review and having followed the Force's full process you are still

dissatisfied, then you have the right to direct your comments to the Information Commissioner who will give it consideration.

Yours sincerely
