I write further to your request for information received 16/04/2021.

I note you seek access to the following information:

I would like to request a daily count of crimes reported to the police force by offence sub-group, 2018-2020. Prior to generating these counts, could crimes with a hate bias flag be removed so that the count is in fact a daily count of non-hate crimes by offence sub-group (if possible)? If it is more practical and less time-consuming I am also happy to receive a count by offence description or disaggregated data with information by individual crime. Furthermore, if the level of offence subgroup with a daily count would be exempted from disclosure I would be okay with daily counts by offence group.

Following receipt of your request, searches were conducted within Leicestershire Police to locate information relevant to your request.

Your request for information has now been considered and the information asked for is as follows: -

Yours sincerely
