What's Driving Us? Course (WDU)

Non-collision

The What's Driving Us Course lasts for four hours and is classroom-based. It is for those drivers where the evidence suggests by an act or omission their mischief was intentional or deliberate i.e. the driver knew their actions amounted to an offence. The course aims to produce safer and more responsible attitudes towards driving, and to increase motivation to drive with consideration for other road users.

The WDU course has been designed in particular to address:

- careless or inconsiderate driving (non-collision) traffic light offences.
- crossing a solid white line.
- indiscriminate parking (i.e. wilful obstruction, parking on zigzags, solid double white lines etc).
- overtaking or failing to give precedence in zebra/puffin/pelican areas.
- contravening traffic signs and signals.

The objectives of the course are to:

- Increase clients' perceptions of driving as a complex and difficult task.
- Increase clients' recognition that the way they drive and the risks they take have negative consequences for other road users and increase the likelihood of crashing.
- Increase clients' awareness of the physical, emotional, and financial consequences of being involved in a crash.
- Increase clients' understanding of the need for traffic rules
- Increase clients' insight into the things that influence their driving
- Encourage clients to identify and overcome their own barriers to safe and responsible driving

UK Data Protection Legislation

To offer you this course it has been necessary to check your details with the National Driver Offender Retraining Scheme (NDORS). This has been done for law enforcement purposes under part 3 of the Data Protection Act 2018, which covers Law Enforcement Processing.

You are only allowed one course of the same type every 3 years, so once you have completed your course your details will be retained for 3½ years for checking against further offences that may meet the eligibility criteria.

If you decide to accept the course your driving licence number will be placed on the National Driver Offender Retraining Scheme (NDORS) database. This national database is an accredited database owned and operated by UKROEd Ltd, (Company No. 08773977; www.ukroed.org.uk). Your driving licence number will also be shared with your chosen course provider for the purposes of processing the offer. You can learn more about how we use personal data at <https://offer.ndors.org.uk/privacy> and <https://www.leics.police.uk/hyg/fpnleic/privacy-notice/>

Leicestershire Police retain the right to withdraw a course offer at any time up to the point that you have successfully completed the course. Will I need my driving licence with me when I attend on the day of the course?

The course provider will need to confirm your driver details and identity on the day of the course and a photo card driving licence is the easiest way to do this. If you only have a non-photocard licence another form of photographic ID will be necessary.

Failure to produce an old style paper driving licence with additional photographic identification, or a photocard licence will disqualify you from participating any further and the matter may revert to criminal proceedings. If the photograph has expired (field 4b on your licence gives the expiry date of the photograph) please do not book a course until you have surrendered it to the DVLA for your photograph to be renewed and it has been returned to you.

Renewing your photograph is easy and may prevent you from being summoned to attend the Magistrates Court if you are found driving a motor vehicle and have an expired photograph. It may also prevent you from receiving a criminal conviction and potentially a maximum fine of £1000.

To renew your licence please visit your post office to obtain a form or <https://www.gov.uk/change-photo-driving-licence>. The form and website both explain all the options available to you

Do I need to inform Leicestershire Police once I have booked or completed my course?

No. On successful booking/completion we will be notified automatically. No further action is needed.

Will Leicestershire Police arrange my course for me?

No. The responsibility lies with the Notice Holder to book and pay for the course - **NOT THE POLICE**

CONDITIONAL OFFER OF FIXED PENALTY

You were the driver of motor vehicle «VEHICLE_REG_NO» at the time of the alleged offence - «OFFENCE_DESCRIPTION», «OFFENCE_SECTION» at «OFFENCE_LOCATION» on «OFFENCE_DATE» at «OFFENCE_TIME» hrs.

Having chosen not to do a course the following options are now available to you, please choose **ONE** option only

EITHER – Accept the Conditional Offer of Fixed Penalty

You have the option of accepting the Conditional Offer of £«PENALTY_AMOUNT» fine and «PENALTY_POINTS» penalty points. If you choose to do this, you must submit your payment and photo card, or old style paper driving licence, to the **HMCTS Regional Fixed Penalty Office**. For instructions on how to pay your fine and where to send your licence please refer to the "accepting your fixed penalty" page.

The terms and conditions of the offer of fixed penalty:

You must follow the procedures overleaf otherwise the matter may still proceed to court.

You can have no more than 8 penalty points endorsed on your licence within the last 3 years, or be disqualified from driving. If your licence has been endorsed with 9 or more penalty points within the last 3 years you may be liable to disqualification from driving in the UK, and the Conditional Offer of fixed penalty procedure may not be available. However, you should still submit your payment and licence where applicable, for consideration.

UK New Drivers – The Road Traffic (New Drivers) Act 1995 - If you reach 6 or more penalty points within two years of passing your test, DVLA will automatically revoke your licence. In such circumstances the Fixed Penalty Office has a legal obligation to forward your driving licence to the DVLA .

If paying online, or by the automated phone line, you still need to send your driving licence to the Regional Fixed Penalty Office directly after making payment, or legal proceedings may still be started, as you will have failed to comply with the terms of the Conditional Offer.

OR – Request a Magistrates' Court Hearing

If you wish to contest this offence please request a court hearing by writing to the address at the top of the letter. After court proceedings have been instigated you will receive a Single Justice Notice and may be required to attend the court hearing in person. If found guilty of the offence, the Magistrates have discretion when imposing a fine, awarding penalty points and prosecution costs, and will also make provision for a victim surcharge and the criminal court charge.

We strongly suggest you seek legal advice before taking this course of action.

You now have 28 days to decide which option you will take. If you ignore it and do nothing, we will instigate Magistrates Court Proceedings against you for this offence.
