Freedom of Information Act 2000

I write further to your request for information received 09/07/2021.

I note you seek access to the following information:

Which three fixed position speed cameras in your area were responsible for (i) the issuing of the most fixed penalty notices to suspected speeders and (ii) were activated the most time by speeding vehicles in the combined three year period of 2018, 2019 and 2020?

By this I mean which three cameras were the busiest across the entire three-year period rather than which three were busiest in each year. Hence the response should be just three camera sites and no more.

Please provide me with the position of each of the three cameras and the number of FPNs issued as a result of it "catching" suspected speeders in that three-year period as well as the number of activations logged at that site.

NOTE: Please include average speed cameras for this analysis where the cameras have remained in the same position.

Following receipt of your request, searches were conducted within Leicestershire Police to locate information relevant to your request.

Your request for information has now been considered and the information asked for is as follows: -
