Date: 08 August 2024

Freedom of Information Act 2000

I write further to your request for information received 30/07/2024. I note you seek access to the following information:

By year since 2019:

Where you have figures, the number of road traffic collisions in which records show the Tesla Autopilot driver assistance system was active before the collision.

Where you have figures, the number of road traffic fatal collisions in which records show the Tesla Autopilot driver assistance system was active before the collision.

For each fatal collision, if possible, could you provide a short description of the incident, including who the fatalities were (driver, passenger, those in other vehicle, pedestrian, etc)

Following receipt of your request, searches were conducted within Leicestershire Police to locate information relevant to your request.

Your request for information has now been considered and the information asked for is as follows: -

No information held.

The records were examined from 1st January 2019 to date & no RTC's matching the criteria of the FOI request were found.

Leicestershire Police provides you the right to ask for a re-examination of your request under its review procedure. Letters should be addressed to Information Manager, Corporate Services Department at the above address. If you decide to request such a review and having followed the Force's full process you are still dissatisfied, then you have the right to direct your comments to the Information Commissioner who will give it consideration.
