

Local Independent Advisory Group (LIAG) West Leicester

The first West Leicester LIAG meeting of 2025 was held on Friday 28th February 2025 at 13:00 hours at Beaumont Leys police station, Leicester.

Nine members were in attendance.

We completed our yearly election process for the Chair and Vice Chair roles.

The existing candidates were unanimously re-elected for their second term.

Following this we discussed our local policing priorities and how we identify them before having a meaningful conversation on confidence and satisfaction and ways to improve this.

The group engaged well with this topic and subsequently agreed to set up a further meeting outside of the LIAG to continue this discussion and how best to help local police improve in this area.
