

Local Independent Advisory Group (LIAG) West Leicester

The third West Leicester LIAG meeting of 2025 was held on Thursday 26th June 2025 at 10:00 hours at Beaumont Leys police station, Leicester.

Four members were in attendance.

We discussed our local policing priorities and how we identify them before having a presentation on the Speakoutspace and GoodSam technology.

We then held a meaningful conversation on our priorities around motorcycles and e-scooters linked to robbery offences.

The group engaged well with this topic with a number of ideas put forward.

Our fourth quarter meeting is to be confirmed but between September and October 2025.
